

MINUTES, LIMESTONE COUNTY COMMISSION, MARCH 27, 2013

The Limestone County Commission reconvened the meeting from March 18, 2013 at 10:00 a.m. today at the Washington Street Courthouse Annex, 310 West Washington Street, Athens, AL.

Present: Gary Daly, Steve Turner, James W. "Bill" Latimer, and Ben Harrison. Absent: None. Stanley Menefee, Chairman presided.

Sonya Anthony, Grants Coordinator, on behalf of Limestone County Archivist, Rebekah Davis, informed the Commission of an ALDOT – Transportation Alternative Program (TAP) Grant that is available for rehabilitation of historical transportation facilities; which has an 80/20 match. She further stated the repairs needed for the outside structure of Archives housed in the old Depot and sprinkler systems are eligible under the grant. She explained that the grant guidelines required an architect to prepare the plans to be included with the grant application that is due by June 28th and that cost is not reimbursable. She requested an architect for the project be added to Monday's agenda and the County to pledge the 20% match if awarded the grant.

Brett McGill, Chairman of the Limestone County School Board, along with other school board members, addressed the Commission regarding School Resource Officer program (SRO). Mr. McGill stated that he had met with Sheriff Blakely, Chief King and Captain Sloss about hiring retiring retired officers as contract employees for the additional officers needed to protect our schools. He said he thought the initial start up cost would be approximately \$240,000.00 and the cost would decline thereafter. Included in the initial set up cost is equipment such as radios, bullet-proof vest, and etc. that would need to be purchased. The School Board is requesting the Commission to be a 50/50 partner. The project includes 8 schools and contracting with 12 officers, working 8 officers at a time for the duration of the 187-day school year. He said that each officer hired would be required to attend a training course this summer in order to implement the program for the upcoming school year. Mr. McGill stated that Dr. Sisk would attend the Commissions' meeting on April 1st and asked the Commission to take their request under consideration at that time.

MOTION was made by Gary Daly and seconded by Ben Harrison to suspend the Rules of Order to approve bids.

The Chairman called the roll. Gary Daly, aye; Steve Turner, aye; James W. "Bill" Latimer, aye; and Ben Harrison, aye. Motion carries unanimously.

MOTION was made by Ben Harrison and seconded by Steve Turner to award the following bid proposals to the lowest responsible bidder meeting specifications as follows:

The Chairman asked if there was any discussion. There was no discussion. The Chairman called the roll. Gary Daly, aye; Steve Turner, aye; James W. "Bill" Latimer, aye; and Ben Harrison, aye. Motion carries unanimously.

Commissioner Bill Latimer recommended naming Goodwyn, Mills and Cawood, Inc. as the architect for the Courthouse Renovation Project and authorizing the Chairman to negotiate a contract. The items will be on Monday's agenda for consideration.

Commissioner Daly: He stated the Antique Tractor Show is August 3, 2013 and participants have requested to use the Rails to Trails for a few hours on August 2nd to parade the antique tractors on the trail from Hays Mill to Elkmont. He requested the Commission to consider closing a portion of the Rails to Trails from Hays Mills to Elkmont for a few hours for the antique tractor ride.

Items were discussed for the April 1, 2013 Agenda.

Adjourned at 10:28 a.m.
